Fuels used:    Propane    Oil    Electric    Kerosene															
Fuel vendors:															

The auditor may be unable to proceed with the weatherization process if unsanitary conditions are open and obvious. This includes large amounts of clutter.

PLEASE NOTE: This program is for weatherization only (mostly air sealing and insulation). It will not cover window replacements, rotted floors, poor foundations or major repairs etc. Depending on the home, we may be able to refer you to other sources. Please call the number above for more information.
