Three ways you can help:

1. **Make a financial donation:** monetary contributions allow us to purchase essential supplies and respond to immediate needs as they arise.
   Paypal: Please Indicate Housing Stabilization Services (HSS) so your contribution can be directed to our program
2. **Shop our amazing wish list:** Want to purchase something we specifically need? Visit our **Amazon Wish List**, which makes it easy to purchase needed supplies that can be put directly to use helping our neighbors.
3. **Donate supplies in person:** We also welcome donations of needed supplies! Please email **rap@scshelps.org** to coordinate your donation and arrange a drop-off time. Scheduling donations in advance allows our staff to ensure that items can be accepted, properly documented, and directed where they are needed most.

Together we can make a difference, one person, one family and one act of kindness at a time. Thank you for supporting our neighbors and helping us to build stronger communities.
